#### Stockerau.

- 6. On 28 December, the Frinz Eugen Kaserne in Stockerau (0 49/5 21) was observed to be occupied. About 40 soldiers were at the drill field, drilling with four medium AA guns.
- 7. Gate guards at the Jaeger and Artillerie Kaserne were red-berdered black epaulets. Some motor vehicles were perked in the barracks yard. There was very little activity.

### Mistelbach.

- 8. No outdoor activities were observed at the Erzherzog Karl Kaserns. Listelbach (P 19/S 55), on 20 December. Cate guards were red-bordered black epaulets. The installation still seemed to be unoccupied, since no smoke was coming from the chimneys.
- 9. The wooden buildings of the centoment at Mistelbach were in good condition and were posted with "No Smoking" signs. Soldiers wearing red-bordered black epaulets were observed at one of the buildings. Three empty boxcars stood on a spur track in the camp. \*\*\*
